EXAMPLE AI PORTRAIT TREATMENT

AI EXPERIENCE

Your brand. A new perspective.

Place guests inside a creative world shaped around your campaign. A captured portrait becomes personalised artwork with themes prepared for your event.

- Bespoke AI themes and branded artwork
- Professional guest capture and digital results
- Private gallery and a dedicated MooMuu attendant
- Optional printed keepsakes and consent-led data capture

AI processing requires suitable connectivity.

4 HOURS / FROM £895

Package guide: page 18

AI SKETCH BOTS

Watch the portrait happen.

Robotic artists draw guest portraits live with pen on paper. The process becomes part of the attraction, ending with a personal illustrated keepsake for each guest.

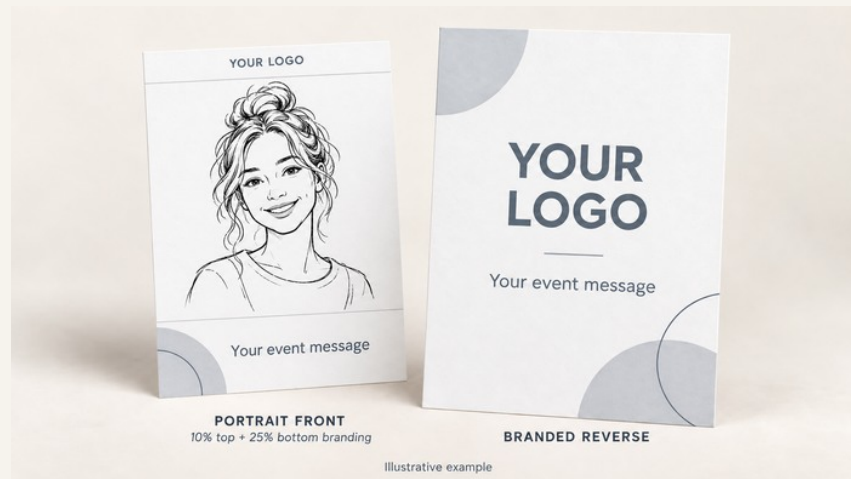

- Two Sketch Bots included in the starting package
- Front branding: 10% at the top and 25% at the bottom
- Physical keepsakes and digital portrait copies
- Delivery, setup and a dedicated MooMuu attendant

Optional reverse-side branding: £200 per event.

Additional bots and extended operating hours are available.

3 HOURS / FROM £1,595

Package guide: page 18

SCRIBBLE BOOTH

Messages with personality.

Guests write or draw on illuminated glass while a camera records them. A photo booth on the reverse provides a second experience, with both sides able to run together.

- Glass writing, photography and HD video
- Bespoke prompts, screens, overlays and photo designs
- Digital sharing and a private gallery
- Delivery, setup and a dedicated MooMuu attendant

Exterior branding and consent-led data capture are optional.

3 HOURS / FROM £1,195

Package guide: page 18

AI GRAFFITI WALL

Let your audience make its mark.

Digital spray cans and drawing tools turn a large canvas into a shared creative activity. AI transforms guest artwork into visual styles prepared around your brief.

- Large interactive wall with no physical paint
- Personalised themes, colours and branded graphics
- Guest creations can be saved digitally
- Delivery, setup and a dedicated MooMuu attendant

Optional consent-led data capture. AI features need internet access.

3 HOURS / FROM £1,295

Package guide: page 18

PHOTO MOSAIC WALL

Every contribution. One bigger picture.

Live guest photographs become printed tiles in a physical mosaic. Guests place their tiles as your chosen brand image is gradually revealed throughout the event.

- Guest photo capture and specialist tile printing
- Freestanding wall and branded master artwork
- Experienced MooMuu technicians throughout
- Completed physical mosaic and high-resolution digital copy

We can create any size mosaic wall. See the size guides on page 14.
